Running  
Festival

# MESSAGE FROM THE COMMITTEE

2020 was shaping up to be our largest event to date since the first Weipa Running Festival event was held in 2018. The global coronavirus pandemic has meant this year's event could not go ahead as originally planned, however we are very pleased and relieved to be able to offer a virtual event and not have to cancel entirely. Another benefit of the virtual format will mean participants will have greater flexibility to complete their chosen events. Entrants can run anywhere and anytime they like between 12th - 26th July.

We would like to sincerely thank our sponsors and supporters for getting behind our event in what has been a very difficult year for many. We cant express how grateful we are that our event could still go ahead as a result of their support!

Cheers and happy running,

Weipa Running Festival Committee
